

JULY - SEPTEMBER 2020 | VOLUME 3

# Keep Girls Safe

PROJECT OF ADRA THAILAND

## Greeting

Hello everyone, we hope all of you are doing great.

July - September is the raining season, it cooled down the heat and brought the joy to the crops. However, this year we were hit by couples of depression, one of them caused the flood to KGS corn farm at the back of the shelter.

It's been 3 months since the government eased the lockdown which is seeing every sector coming to life again. Communities have opened for outsiders to visit, therefore, we took the opportunity to do the community outreach to 7 communities of our girls' village.

## Noteworthy Activity

---

## Future Event

---

Shelter Coordinator and Care taker attend the workshop on “Coping with Child and Sex Education for children” Hosted by Ezekiel Rain Foundation. This workshop taught staff to deal with children and pass on the knowledge of sex education appropriately.

## Feature Story

### Community Outreach

It's a good time as the government had relaxed the lockdown, KGS staff re-engaged communities, schools and churches to work together on promoting Child Rights, Anti-Human Trafficking and Child Protection. The staff visited 8 villages in order to seek permission from the village leaders and reschedule the activities in the following communities;

- Baan Huay Lang, Weiangkaen
- Baan Thung Pattana, Chiang Khong
- Baan Thanthong, ChiangSaen
- Baan Jakue, Muang ChiangRai
- Baan Houy Saan Kao, Maefahluang
- Baan Huay Saan Mai, Maefahluang
- Baan Pitak Thai, Thoeng
- Baan Thai Samakki, Thoeng

### Peer Educator Training

6 of KGS youth leaders took part in the Peer Educators Training in Chiang Saen, District, Chiangrai Province as facilitators. This was a good opportunity for them to practice and grow their skills in leadership and presentation with confidence and proficiency. The pre and post-test administered indicated that the training was well received and of benefit to the participants particularly showing they learned and have a better understanding about child right, human trafficking and online threat.

## Scholarship Provided to 80 Students

Community Field officer represented the Keep Girls Safe project in presenting scholarships to 9 schools in remote area of Chiangrai Province. Sincere gratitude to our donors for your kind support, which enables these underprivileged students to continue their studies. Some of them have been selected as peer leader to train and enlighten other students about Child Rights, Anti – Human Trafficking and Online Threat.

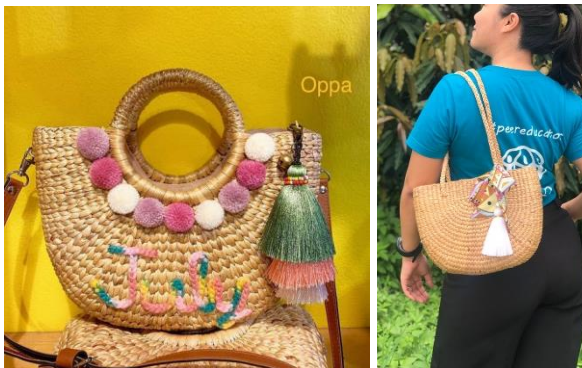

## Noteworthy Activity

Besides cooking, girls also learned how to make desserts. This time, they made Taro & Coconut Milk Pudding!! It was very creamy and yummy!

As it's a raining season, our vegetables have been bountiful. We intend to sell surplus in the local market with our own branding. So far, we have sold, mushroom, morning glory and angle loofah. We got the compliment from the buyer said "your mushroom are so huge!"

To improve the handicraft skill, KGS invited the teacher from Phan Learning Center where 5 of our girls were under training in June. This time, the teacher taught to make hairband, hill tribe bags, and coin pocket with the 5 girls as facilitators.

## Future Events

We are pleased to inform you that the project is going to have an online store calls "KGS Brand".

The first product will be a hand woven bag which is made from water hyacinth. The girls will decorate them with their handcraft items. So please stay tuned!!

Other activities are

- KGS Book Donation Point at MAYA Book Fair 2020 Event @ MAYA Shopping Mall, Chiangmai, Thailand
- Community and Churches Outreach
- Following up the Peer Educator Training

### RAISING FUND UPDATED

For our field trip raising fund activity highlighted in the Q2 newsletter, we'd like to update everyone that we are now having 24,344.50 baht out of target goal of 175,000 baht.
